# PE DEPARTMENT HEAD INTERVIEW <br> Process Evaluation: Context and Secular Trends 

School: $\qquad$

1. During this academic year, what is the average size of the PE classes at your school? $\qquad$
2. During this academic year, are there differences in class size by grade? Yes No If yes, then query class size for each grade separately:
a. $6^{\text {th }}$ grade only: $\qquad$ b. 6-7 combined: $\qquad$
c. $7^{\text {th }}$ grade only: $\qquad$ d. 7-8 combined: $\qquad$
e. $8^{\text {th }}$ grade only: $\qquad$ f. 6-7-8 combined: $\qquad$
3. During this academic year, is PE class co-ed or gender separate? (circle one for each class type. If other, explain in $3 g$.)
a. $6^{\text {th }}$ grade only
b. 6-7 combined
c. $7^{\text {th }}$ grade only
d. 7-8 combined
e. $8^{\text {th }}$ grade only
f. 6-7-8 combined
All PE is
gender
separate

Gender separate for contact sports and co-ed for everything else

All PE is co-ed Other
b. 6-7 combined
$A \quad B$
$B \quad C$

g. If "other", please specify: $\qquad$
$\qquad$
$\qquad$
4. On any given day during this academic year, what proportion of girls enrolled in PE class do not participate in it? (i.e. they do not dress out, or they do not engage in activities.) (circle one):

| $0 \%$ | 10 | 20 | 30 | 40 | 50 | 60 | 70 | 80 | 90 | $100 \%$ |
| :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- | :--- |

5. What are the reasons for lack of participation? (check all that apply)
a. $\square$ Menstrual cycle
b. $\square$ Chronic health conditions
c. $\square$ Injury or other acute illness
d. $\square$ Does not have / forgot gym clothes
e. $\square$ Other (please specify):
$\qquad$
6. How adequate are your school facilities for teaching your district's PE curriculum? (circle one):
A. Not at all adequate
B. Not adequate
C. Adequate
D. More than adequate
7. What is lacking, if anything? $\qquad$
$\qquad$
$\qquad$
8. Do you consider your school's physical education facilities to be well maintained and usable? (circle one):
A. Not at all
B. Somewhat
C. Mostly
D. Very well
9. Which facilities, if any, are not as well maintained as you would like?
$\qquad$
$\qquad$
$\qquad$
10. How much of the equipment needed to teach your district's PE curriculum does your school have? (circle one):
A. All
B. Most
C. Some
D. None
11. What equipment is lacking? $\qquad$
$\qquad$
$\qquad$
12. In an average semester during this academic year, approximately what percentage of PE classes are shortened or cancelled due to school activities--such as assemblies, testing, school photos, etc--which prevent students from dressing out?
(This number should NOT include TAAG measurement activities) $\qquad$ \%.
13. Has this changed over the past academic year? Yes No
a. If yes, has the percentage: (circle one):
14. Increased
15. Decreased
