The next questions are about alcohol. Some of you may have recently answered these same questions, but please help us by answering them again here.

3. In the last three (3) months, how often did you usually drink the following alcoholic beverages?

First: Mark how often, on the average, you drank the beverage.  
Second: Mark your usual serving size as small, medium or large.

Please note:

- A small serving is about one-half (1/2) the medium serving size, or less.
- A large serving is about one-and-a-half (1 1/2) times the medium serving size, or more.
- If you did not drink alcoholic beverages, mark "Never or less than once per month," and omit the serving size altogether.
