

STUDY CLOSE-OUT FOR CLINIC

Clinic: RANDCLIN

1.

2.

Certification Number (Clinic Director): \_\_\_\_\_

Please complete the following table with what treatment you really thought each patient was assigned for most of the study. The opinion of the clinic staff most familiar with the patient's participation in the MSH should be reported. The Clinic Director should resolve any disagreements. If the patient was unblinded during the study, try to remember what you thought before unblinding.

Patient	Definitely Hydroxyurea	Probably Hydroxyurea	Absolutely No Idea	Probably Placebo	Definitely Placebo
9999-9 ABCDE	(1)	(2)	(3)	(4)	(5) ← CL-GUESS
9999-9 FGHIJ	(1)	(2)	(3)	(4)	(5)
